## SHEEP STEALING

This is our third experience with it. We work real hard and steadily teach the importance of the commandments, the statutes, the judgments, and their connection to the Father and the Son. We have NOT built a ministry by stealing sheep from other folds that

hold these truths dear. But it is in the process of happening again now! I sent an E-mail I received recently to a dear friend. You can tell something about what was said by taking a look at the answer he returned to me.

“It seems to me that you are dealing with some people that are pushing to be heard, I sense a pushiness that goes somewhat beyond. . . It seems to me that they are pressing you to stage at every opportunity their material and that if you don’t then you are rejecting “new light.” This seems amazing to me, since it is Bible Explorations that published a book on new light called *New Light*.

“Mind you, it was the subject of the righteousness of Christ that attracted me to what Bible Explorations was presenting, and I am sure that I am not alone in that experience. The deeper and broader meaning of the law of God as it relates to the Gospel of Righteousness are the two themes we are told are to be blended in every discourse, never are they to be divorced.”

If all the people in the whole wide world separate from either of these two themes, I will stand alone bearing witness to them both. And I pray the little flock given to me will benefit the most.

So what is happening? A “leader” has arisen that claims to have more truth, and therefore talking to certain folk asking them to move away from BE and into their fellowship. Especially if their “new” sheep have made commitments or have given large offerings.

Prayerfully and diligently has BE been built, not by stealing sheep from like organizations, but through teaching God’s truths and with His blessing.

So, a word to the wise! Don’t turn against our roots. Please keep helping us! This is going on even as I write. At that very crucial time of ingathering funds for the satellite ministry folk are led away. I can’t tell you how tough this is. We need all of you working together.

I was ready to blow my stack but then I received a message from the Word seemingly just for me:

“Wherefore my beloved brethren, let every man be swift to hear, slow to speak, slow to wrath.” Slow to wrath? How long is “slow?”

I will do nothing beyond letting you know what’s going on and praying earnestly hoping for large pick-up of income to continue this ministry and even encourage its growth.

**The Following comes from an**

**ARTICLE BY DEAN FERREL**

**Dear friend, the past couple months have been filled with events pointing to the culmination of the plan of salvation, and movements gathering all people either under the LORD or Satan for the soon coming Savior, and the final battle. The lines are becoming clearer, as**

**the fruits of the two types of spirits are increasingly manifest in man. While there’s still time to change sides, we encourage as many as we can in the Everlasting Gospel Commission of persuading people to Join themselves to the LORD by Sacrifice. The following study will help to that end.**

**Bible Study “Like Father like son” – “Like Mother like daughters”**

**Psalm 50:3-6** “Our God shall come, and shall not keep silence: a fire shall devour before Him, and it shall be very tempestuous round about Him. <sup>4</sup> He shall call to the heavens from above, and to the earth, that He may judge His people. <sup>5</sup> Gather My saints together unto Me; those that have made a covenant with Me by **sacrifice**. <sup>6</sup> And the heavens shall declare His righteousness: for God *is* judge Himself. Selah.”

One Sacrifice that joins us in covenant relation to Jehovah, the Father of Lights, is the LORD’s only begotten Son on Passover. The cross was not an after thought, but rather a step in fulfilling the Divine Plan of salvation that will also end the War between Christ and Satan. The Blood of that sacrifice (if rightly applied), gives victory, cleanses from sin and ratified the Everlasting Covenant. Every sacrifice to the Lord, from the one that clothed Adam and Eve after the fall (the Lamb slain from the foundation of the world), pointed to the sacrifice of Him who took our humanity (as the seed of David Jn 7:42; Rom 1:3; 8:3,4), and in the flesh, was tempted in all ways as we are, and for us, He took a perfect sinless life victoriously to the cross, bruising Satan and assuring the future victories of those who avail themselves of the power of His shed blood, His grace, Spirit and Intercession. Remember, the victorious way of the cross, is in the center of the Prophecy of it (Gen 3:15), and the power of it imputed and imparted to us, if we are partakers of the covenant it seals (Rom 16:20). It is a victory that will end Satan’s reign of terror as the (usurper), god of this world. Do you want that victory? Will you walk in the way of the cross?

After quoting the above passages, we will look at who (in the name of Jesus – as leader(s) of “Christianity”), openly call the LORD and His Cross a failure. Untold millions still follow them. The LORD said to the Serpent, in Adam and Eve’s hearing: **Genesis 3:15** “And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel.” [the Primary fulfillment is Christ at the Cross]. Here is the success of this, at work in those who accept it’s victory by faith and walk in it. **Romans 16:20** “And the God of peace shall bruise Satan under your feet shortly. The grace of our Lord Jesus Christ *be* with you. Amen.”

**Why does all this matter? According to James 1:16-18; Ephesians 5:1,2,8 God is the true Father of Lights from which all good and perfect gifts come. These gifts, paid**

for at the cross, transform us (*through His Spirit*), from darkness to light. Thank You Father, for Your Words and Way of the Cross will successfully lead your children of Light home, if we will but walk in it. Like Father like son(s), and daughters. On the opposite side there is a prophetic Mother - Babylon, and her harlot daughters – Apostate Protestantism, who say they are of Christ, yet share the unfaithfulness of Mother. Revelation 17:3-5 “ ... I saw a woman ... arrayed in purple and scarlet colour, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication: And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH.”

A longtime mouthpiece for the whore's daughters (who's made a vast fortune at the trade), leading millions of Charismatics, not in the way of the cross, but down the road to Babylon, acceptance of the end of Protestantism and re-entry into body of the Mother Church. One of his public teachings is that “God is a failure.” On the world wide “Trinity Broadcasting Network” Copeland is recorded saying: “I was shocked when I found out who the biggest failure in the Bible actually is....The biggest one is God...I mean, He lost His top-ranking, most anointed angel; the first man He ever created; the first woman He ever created; the whole earth and all the Fullness therein; a third of the angels, at least—that's a big loss, man.” (he said more, and you can catch it on: [youtube.com/watch?v=6PKGIOPbzcs](https://www.youtube.com/watch?v=6PKGIOPbzcs) ).

Representing the Mother of Harlots, is the “man of sin” (is this a transgender thing ...like Baphomet?) or is this the beast as a male and its rider a female.

**Pope Francis in New York on September 24, 2015** said : “if at times our efforts and works seem to fail and produce no fruit, we need to remember that we are followers of Jesus... and his life, humanly speaking, ended in failure, in the failure of the cross.” (He adds “humanly speaking” and his defenders rush to point that out. Popes use carefully crafted words as witches do in spell craft. He returns to “God's Failure” in his homilies, as he repetitiously spoke against those who would “keep all God's commandments” as “cowards” who “make the Holy Spirit sad.” Remember, the dragon gives him his power, seat, and authority.

**On November 27, 2015 while in Nairobi, Kenya,** 'Pope Francis' said to a group of youth: “How can we understand that God is our father, ... How can I see the hand of God in tragedy? I was going to say there's just one response but no, there's no response. There is a path. To look at the Son of God. God endured death to save all of us. God became a tragedy. God allowed himself to be destroyed on the cross. ... That is the great failure of God, that is the destruction of God, and it's a challenge to our faith... I

am going to tell you something private. In my pocket I always carry two things: [#1] a Rosary to pray something which seems odd, [he holds also (#2 thing), a booklet of the 14 stages of the cross], this is the history of God's failure, it's the way of the cross, a small way of the cross, ... with these two things I do the best I can. And thanks to these two things, I never lose hope.

**Pope says it again to applause, in Cuba** ([youtube.com/watch?v=wWZRC0QanUI&feature=youtu.be](https://www.youtube.com/watch?v=wWZRC0QanUI&feature=youtu.be)). [Note: *The words supplied in the brackets are from us, the editors as you may not speak Spanish or watch the video. If you do, the English translator was not articulate as Pope Francis' Spanish was, so we were, and it points to the “Secret of his power”.*] “I am going to tell you something confidential [*or secret*]. In my pocket **I always carry \*two things: [#1] A Rosary, a Rosary to pray with. [#2. He pulls out a booklet, with images of 14 stages of the cross.]** Something which appears strange. What is this? this here is **the history of God's failure, it's the way of the cross**, a small way of the cross. As Jesus suffered and when they condemned him, right up to where he died and was buried. With these two things I do [*he said “me arreglo como puedo” = I fix or repair myself the way I can*]. And thanks to **\*these two things**, I never lose hope.” [*In this statement is the thinly veiled secret of the Papacy's Satanic Power.*]

These harlot Mother & Daughters agree, calling “God a failure.” Please note the one whom all the world wonders after (see Rev 13:3-8), says that with these two things (idols) he carries in his pocket, he repairs himself and never loses hope. A Rosary is the tool (idol), to pray to MARY, Queen of Heaven (see Jer 7:16-18; 44:16-23). In idolatry, many people still today bow and pray before images of the 14 stages of the cross. In Jeremiah 7:16 (regarding those who pray to this “Queen of heaven”), God said “Therefore pray not thou for this people, neither lift up cry nor prayer for them, neither make intercession to Me: for I will not hear thee.” Is He the same today as yesterday? This makes even praying for them useless, until they give up this idol/devil worship. Isn't our Everlasting Gospel commission to help them do just that?

**Amos 3:3** “Can two walk together, except they be agreed?” Fallen Christendom is going back to the leader I'm talking about in signed agreements stating that both teach the same salvation! The spokesman for Mother said his hope is on the “secret” “two things” he always carries in his pocket, by which he said: **“me arreglo como puedo” = I fix or repair myself the way I can** “These two things” are idols, images that lead away from Christ's intercession with an insinuated “failure of God” in “the way of the cross.” This Jesuit Man of Sin promotes alternative intercessors, alternative saviors (anti-christs), which Satan supplies abundantly through Rosary prayers to the revised “Queen of Heaven” (the Catholic Mary), other dead patron saints, worship of relics, Popes and Priests. The latter

apply the alternative intercession in “holy orders, sacraments” to obtain “absolution or satisfaction.” Yet the Catholic is assured God (after their intercession), will still have to burn them a while in Purgatory to prepare one for heaven. Yet their god will accept cash (paid to the Church), for “indulgences” to minimize the punishment. What wicked spell-craft is it, that is attracting non Catholics in Ecumenism?

**Let’s all go to church next Sunday.  
Let’s make it a civil law.**

The secret of the Papal Power, is described well in: {Great Controversy 572} “A prayerful study of the Bible would show Protestants the real character of the Papacy and would cause them to abhor and to shun it; but many are so wise in their own conceit that they feel no need of humbly seeking God that they may be led into the truth. Although priding themselves on their enlightenment, they are ignorant both of the Scriptures and of the power of God. They must have some means of quieting their consciences, and they seek that which is least spiritual and humiliating. **What they desire is a method of forgetting God which shall pass as a method of remembering Him. The Papacy is well adapted to meet the wants of all these. It is prepared for two classes of mankind, embracing nearly the whole world--those who would be saved by their merits, and those who would be saved in their sins. Here is the secret of its power.**”

The weakening of the Beast (antichrist) power during the Reformation, and it’s wound delivered in 1798 (the Pope was removed and imprisoned), is almost completely healed. Protestantism acknowledging the Primacy of the Pope of Rome, is an act of worship. This October, the official declaration of the end of the Protestant Reformation, is expected. We can also expect religious legislations (sanctions), against those independently operating outside the official body of the Universal church, then Sunday laws. We’ve been warned:

**Pope Benedict XVI, U.N Gen assembly, April 18, 08.**

“... we live in a time when little groups of independent

people threaten the unity of the world, and that the only way to combat this problem is by establishing law and then ordering all of society according to this law. ...”

Pope Benedict XVI, Feb. 22, 07 “Sunday ... those who do not keep it suffer “the loss of an authentic sense of **Christian freedom**” and the loss of being “the children of God”,

that Sunday is the “primordial holy day” ... which hopefully “will also be recognized by civil society” by law.”

the beast? who is able to make war with him? <sup>5</sup> And there was given unto him a mouth speaking great things and blasphemies; ... <sup>6</sup> ... against God, to blaspheme His Name, and His tabernacle, and them that dwell in heaven. <sup>7</sup> And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations. <sup>8</sup> And all that dwell upon the earth shall worship him, whose names are not written in the book of life of the Lamb slain from the foundation of the world.” **Rev 13:3-8**

Pentecost (in the Apostolic Era), with the needed outpouring of the Holy Spirit, was the “former rain. It came upon those in one accord (unified), in the truth, and active in the gospel commission. As Messiah promised, His Spirit, multiplied efficiency, and gave courage to win souls in an often lethal environment. As I write, Pentecost is days away, and it brings a painful reality to view. Comparatively few of us are in one accord (unified) in spirit, truth and the great commission.

Soon, we will enter an appointed time of trouble unmatched by anything Satan has ever hurled at Humanity. On every side, you see his forces gathering, and Scripture Revelation 17:13,14 assures us they are unified! “These have one mind, and shall give their power and strength unto the beast. These shall make war with the Lamb...’ Are we one with the Lamb and each other in the Light, Spirit, Truth and Proclamation of the Angels’ Messages? Rev 14:6-12; Mal 4:4-6. The world needs lighting with the Character and glory of that Message. If we love it and the Elijah message like He does (Jn 3:16), let us unitedly pray for the Latter Rain to be One in His purpose and Power. One with and in the Lamb of God, gathered for this final battle against Satan and the confederacy of evil. “... and the Lamb shall overcome them: for He is Lord of lords, and King of kings: and they that are with Him *are* called, and chosen, and faithful.”

## NEWS OF PROPHETIC IMPORT FROM AROUND THE WORLD

The Lord said there will be earthquakes. Wow! Are there ever earthquakes! This report comes from “BreakingIsraelNews”:

“Yellowstone earthquake count nears 1,000 as global ‘swarms of earthquakes’ appear around the world. Yes, that is right. Checking I found 900 reported earthquakes in the Yellowstone in the past month! Most rather small but all well measured on the Richter scale. But the US Geological Survey says ‘Don’t worry’ and has not raised the volcano alert level.”

It might as well tell the public: “Don’t worry, Christ’s words are not reliable. Says who? Not to be outdone by Yellowstone, and apart from Yellowstone, more than two dozen quakes shook the Lake Tahoe region early this past Tuesday with the largest tremor reaching a significant 4.0 on the Richter Scale.

My, My, what’s happening to our great national parks?

But wait. Let’s travel to the other side of our world. At the same time that Yellowstone and its surrounding area was shaking from the effects of 900 quakes, 50 small tremors and two earthquakes larger than 4.0 hit Northern

Iceland. It has been reported that there were “so many all at once, and some of them quite large.”

And then there is Japan! Poor Japan! Japan was hit by five earthquakes last week of up to 5.2

Among the signs to precede Christ’s coming back to this earth He said there would be famines, and pestilence, and **earthquakes in different places.**

Just how many earthquakes in different places must we witness before we get our lives, yes and our funds, in the proper place to doing the most good – while we still can!

## MORE NEWS OF PROPHETIC IMPORT FROM AROUND THE WORLD

There are two areas on our planet that are considered “holy.” One is Israel and the other is Rome.

Rome is one of the most tourist-visited areas on planet earth. Here, it is claimed, that Peter built his church and is now patriarch of the religion of Rome today. Each succeeding pope Peter’s successor.

But I understand that a country is only as “holy” as the people who live in it. If this is the case Rome has failed to accomplish its mission on numerous occasions.

Even now a good friend of the pope, and third in leadership, is the Vatican treasurer. Vatican treasurer George Pell has been charged by Australian police over sex allegations from “multiple complaints.” There may be up to 10 alleged victims according to Australian news. The Australian website news reports that the victims were minors at the time of the offenses.

Since 2014, Pell has lived in the Vatican, with which Australia has no extradition treaty, meaning the cardinal could potentially avoid prosecution if he chose not to return to his home country of Australia. Pell stands charges of child molestation as far back as the 2000’s regarding an altar boy.

Last February, the Australian Royal Commission into Institutional Responses to Child Sexual Abuse released a report stating that more than 4,000 children, mostly boys, have been allegedly sexually abused by Catholic priests in Australia over a period of decades.

The commission also said that since the 1980's, the Catholic Church has paid over \$200 million to victims of alleged sex abuse.

Holy? Says who? I pray blessings on the faithful and honest folk who live there, but I would hardly call it a "holy" place.

Jerusalem, According to Wikipedia, has a gay pride parade every year. In 2005 a municipal ban attempted to halt the parade, but it was overturned by a district court order. Protesters, many of them Orthodox Jews, lined the mile-long parade route shouting insults and displaying signs with messages such as "You are corrupting our children" and "Jerusalem is not San Francisco." There was a Haredi Jew who stabbed three parade participants with a knife. His motive was "I came to murder on behalf of God. We can't have such abomination in the country."

The Jerusalem District Court also ordered that about \$60 million be paid as compensation to the victims.

Lesbian, gay, bisexual and transgender rights in Israel are the most advanced in the Middle East and one of the most advanced in Asia! Same-sex sexual activity was legalized in 1988 although the former law against sodomy had not been enforced since a court decision of 1963. Israel became the first in Asia to recognize any same sex union. Tel Aviv is only 34 miles (42 miles driving) from Jerusalem and has frequently been referred to by publishers as one of the most gay friendly cities in the world, famous for its annual Pride Parade and gay beach, earning it the nickname "the gay capital of the Middle East" by *Out* magazine. According to LGBT travelers, it was ranked as the best gay city in 2011. A monument dedicated to the gay victims of the Holocaust was erected in Tel Aviv in 2014.

BreakingIsraelNews, June 27, 2017: *Jewish gay pride flags were banned Saturday at Chicago's annual Dyke March.*

Three people who were marching with Jewish pride flags were asked to leave the event after they were told their flag, which featured the gay pride flag's design and a Star of David, might be "offensive." A Dyke March organizer told Chicago's *Windy City Times* the flags "made people feel unsafe," and that the march was "anti-Zionist" and "pro-Palestinian." Rabbi Abraham Cooper, associate dean of the Simon Wiesenthal Center, called the move a "disgrace" to the ideals of the LGBTQ community, which "is dedicated to equal rights for all. Equal rights, that is, except for Jews who dare to celebrate their ties to their people and the Jewish homeland."

Cooper noted that in Israel, the LGBTQ community enjoys widespread acceptance, in contrast to the rest of the Middle East.

## **MORE NEWS OF PROHEIC IMPORT** **from around the world** **CONINUED RECORD WEATHER?**

Aljazeera, July 4, 2017: Dozens killed in China floods as rivers overflow. At least 50 people have been killed in floods in China as water levels in more than 60 different rivers have risen above warning levels. The annual floods have been even greater than normal and the last week has been particularly wet. Changsa, the capital city of the province of Hunan, recorded nearly half a meter of rain in a week. This amount is well above the average and is nearer what could be expected on average throughout June, July, August and September put together.

Across Hunan, the flooding has forced hundreds of thousands of people to evacuate, damaged crops, and destroyed houses, causing a total direct economic loss of \$1.22bn, the provincial civil affairs office said. The river Laodao, a tributary to the mighty Tangtse, exceeded its previous depth and set a new record. At nearly 40 meters, it required a 5 km sandbank levee in a failed attempt to save Changsa from flooding. Rising water levels left Orange Isle, a popular tourist destination in Changsha,

almost completely submerged, with only roofs and trees peeking out above the floodwater. According to the State Flood Control and Drought Relief Headquarters, continuous, heavy rain that started in mid-June has caused the water of 10 major tributaries of the Yangtze, as well as 89 middle and small-sized ones, to rise to record levels.

**The Washington Post, June 29, 2017.** Iranian city soars to record **129 degrees**: this is near the hottest on earth in modern measurements.

Many places around the world have been getting record heat as well as record rainfall and flooding this spring and summer.

BE (Bible Explorations) isn't the only one calling for help. So also is the state of Illinois. Illinois is grappling with a full-fledged financial crises and not even the lottery is safe. Facing billions in unpaid bills and pension obligations, the state is hitting a cash crunch. "Were like a banana republic, Rauner said earlier this morning, after the General Assembly failed yet again to pass a budget by the regular session deadline, "We can't manage our money." said Rauner.

But the problems are years in the making, caused in large by the state's poorly funded pension system – which led Moody's Investors Services to downgrade the credit rating to the lowest of any state. The state currently has **\$130 billion** in unfunded pension obligations, and a backing of unpaid bills worth **13 billion!**

Well, that's not Bible Explorations! We have stayed free from debt and pledge to go on the same, even if we lose satellite coverage. Because of our faithfulness to the satellite corporation we have been granted more free services as explained below.
