GREAT SPRING CAMPMEETING

We had a wonderful (many say this was the best yet) Passover and Feast of Unleavened Bread here at Bible Explorations, Terra Bella! We hope to see everyone again this fall for **Feast of Tabernacles (October 14-21)**. I know dad (Pastor John) would have been happy with the turnout, both with people and speakers! His work is continuing, thanks to all of you with your prayers and support. It is hard to believe this June 1 will mark a year since he went to sleep. It isn't the same without him, but I do know his wishes are being fulfilled. Please continue to help!

You can see the various DVDs from Passover/Unleavened Bread on the order sheet at the end of this newsletter with all the speakers. You can also find each one on YouTube, individually and also

recorded on Roku. Go to YouTube and find Bible Explorations channel.

While you know we have monthly bills, our next larger bill is coming due the end of July for our broadcasting internet, (Unwired Broadband). This service is allowing us to go live and they have more than doubled our upload and download speed (free!) because of our good history with them. We pay a year at once and because of this we get a month free, that is why it's no longer due in January! The total is just under \$10,000. Please remember this when you send your support. This is God's ministry. We are all just keeping it going.

JUST A COUPLE TESTIMONIES OF MANY

Greetings in the name of yeshua. I have over the years been watching Betv in Nigeria and it helped me in the in-depth study of the Bible. I am a

Seventh-day Adventist. I became one while studying E.G. White's books I bought from a man selling health books. After about three years a friend in the church told me about BETV after a heated argument and for about 4years now it's been the only TV program that I watch. Suffice it to say that I would have long been kicked out of the church because I

refuse to follow what is not in the bible. I now live in Texas, but I don't know where to find a feast keeping church. Please help me . I am tired of keeping Sabbath days at home. CI

I'm so sorry for the loss of your father Sandy. I am Emmah from Kenya. I first got to learn about the feasts from your father through BETV. I appreciate the fact that BE can still continue because of you and other concerned people. Please keep holding on, it won't be long before Christ comes. Without BE, I would never be where I am in my Christian walk. I am praying for you also. God bless you.

We continue to receive so many emails and facebook messages and letters about Bible Explorations and how it has helped change people's lives. It has reached so many worldwide. Thank you all again for your continued prayers and financial support.

HISTORY WILL REPEAT ITSELF

By Ted Schultz

The servant of the Lord has warned us that history will repeat itself and has stated specifically in what ways it will do so. One way that history will repeat itself is through the resurgence of false theories being presented in a way that makes it look like it is the revealing of advanced light. "Again and again I have been shown that the past experiences of God's people are not to be counted as dead facts. We are not to treat

the record of these experiences as we would treat last year's almanac. The record is to be kept in mind, for history will repeat itself. The darkness of the mysteries of the night is to be illuminated with the light of

heaven...In the future, Satan's superstitions will assume new forms. False theories, clothed with garments of light, will be presented to God's people. Thus Satan will try to deceive if possible the very elect. Our watch word is to be, "To the law and to the testimony: if they speak not according to this word, it is because there is no light in them (Isaiah 8:20)."

Publishing Ministry, p. 175.

This counsel came in connection with the onslaught of the alpha apostasy and was warning that the church was to have another go-around with spiritualistic and pantheistic concepts in the future. That prediction has proved be one hundred percent accurate.

We have been given a heads-up as to another way that history will repeat itself. "History will repeat itself. In this age the test will be on the point of Sabbath observance. The same masterful mind that plotted against the faithful in ages past, is now at work to gain control of the falling churches, that through them he may condemn and put to death all who will not worship the idol Sabbath.

"The people of God will enter into no controversy with the world over this matter. They will simply take God's Word for their guide, and maintain their allegiance to Him whose commandments they keep. They will obey the words of Jehovah, 'Verily My Sabbaths ye shall keep: for it is a sign between Me and you throughout your generations; that ye may know that I am the Lord that doth sanctify you. Ye shall keep the Sabbath therefore...for a perpetual covenant.'" *Signs of the Times*, February 22, 1910.

EVERY SOUL WILL BE TESTED

After having informed us that history will be repeated in regard to the true Sabbath versus the idol Sabbath test, we are then told that everyone will be tested. "To every soul will come the searching test, Shall I obey God rather than man? The decisive hour is even at hand. Satan is putting forth his utmost efforts in a last despairing struggle against Christ and His followers. In this closing scene, false teachers are employing every possible device to stimulate the hardened sinner in his rebellious daring, to confirm the questioning, the doubting, the unbelieving, and by misrepresentation and falsehood to deceive, if it were possible, the very elect." *Ibid*.

Of all the issues that we have to wrestle with this is perhaps the most important. How we relate to this issue has eternal consequences. The apostle Peter tells us who the elect are and how one becomes a member of the elect. "Elect according to the foreknowledge of God the Father, through sanctification of the Spirit, unto obedience and sprinkling of the blood of Jesus Christ: Grace unto you, and peace, be multiplied." 1 Peter 1:2. We become the elect through sanctification. It is this class of people that Satan works on the hardest to deceive and cause their downfall. The apostle Paul tells us how we are sanctified. "But we are bound to give thanks always to God for you, brethren beloved of the Lord, because

God hath from the beginning chosen you to salvation through sanctification of the Spirit and belief of the truth.” 2 Thessalonians 2:13. The salvation so graciously extended to us comes through the working of the Holy Spirit and our belief of the truth of God’s word. Jesus prayed that we might be sanctified. “Sanctify them through thy truth: thy word is truth.” John 17:17. Clearly, it is God’s will that we be sanctified. Paul confirms this fact. “For this is the will of God, even your sanctification.” “And the very God of peace sanctify you wholly; and I pray God your whole spirit and soul and body be preserved blameless unto the coming of our Lord Jesus Christ.” 1 Thessalonians 4:3; 5:23.

THE NATIONS JOIN IN A HOLY COVENANT

“Declare ye among the nations, and publish, and set up a standard; publish, and conceal not: say, Babylon is taken, Bel is confounded, Merodach is broken in pieces; her idols are confounded, her images are broken in pieces.

“In those days, and in that time, saith the LORD, the children of Israel shall come, they and the children of Judah together, going and weeping: they shall go, and seek the LORD their God.

“They shall ask the way to Zion with their faces thitherward, saying, Come, and let us join ourselves to the LORD in a perpetual covenant that shall not be forgotten.” Jeremiah 50: 2, 4, 5. At the time that people are leaving Babylon and joining God’s end time covenant people, the

**DISCIPLES OF JESUS

DILIGENTLY.**

king of Babylon makes some very shrewd and cunning moves against the remnant. The prophet Daniel explains. “Therefore he [the king of the north, Eze. 26:7, the king of Babylon] shall be grieved, and return, and have indignation against the holy covenant: so shall he do; he shall even return, and have intelligence with them that forsake the holy covenant.” Daniel 11:30. The Spirit of Prophecy confirms a future application of the prophecy of Daniel 11:30. “The prophecy in the eleventh of Daniel has nearly reached its complete fulfillment. Much of the history that has taken place in the fulfillment of this prophecy will be repeated. In the thirtieth verse a power is spoken of that ‘shall be grieved, and return, and have indignation against the holy covenant: so shall he do; he shall return, and

have intelligence with them that forsake the holy covenant.’ Scenes similar to those described in these words will take place.” *Manuscript Releases*, Vol. 13, p. 394.

A LARGE GROUP OF UNSANCTIFIED PEOPLE

Satan will use Babylon in a special way to deceive and destroy those who believe in the sanctifying

truths of the three angels’ messages. We have been warned ahead of time that Satan will be very successful in his work of deceiving people in

regard to sanctification and obedience which prepares the remnant for the final test to come. The three angels’ messages involves the carrying out of the gospel commission which is “teaching them to observe all things whatsoever I have commanded you” (Matt. 28:20). Obviously this commission calls people to inform others as to what God’s will is and to live a life of loyalty and obedience to His will. As we have already seen, the will of God is that we be sanctified wholly, soul, body and spirit. Apparently there will be only a small number that will actually be truly sanctified. For most, sanctification will only be a theory, not a reality. “In the last vision given me, I was shown the startling fact that but a small portion of those who now profess the truth will be sanctified by it and be saved.” *Testimonies for the Church*, Vol. 1, pp. 608, 609.

In fact before the testing crisis actually comes there will be those, as the prophet Daniel states, that will defect from that group who are being sanctified by the three angels’ messages. “As the storm approaches, a large class who have professed faith in the third angel’s message, but have not been sanctified through obedience to the truth, abandon their position and join the ranks of the opposition. By uniting with the world and partaking of its spirit, they have come to view matters in nearly the same light; and when the test is brought, they are prepared to choose the easy, popular side. Men of talent and pleasing address, who once rejoiced in the truth, employ their powers to deceive and mislead souls. They become the most bitter enemies of their former brethren. When Sabbathkeepers are brought before the courts to answer for their faith, these apostates are the most efficient agents of Satan to misrepresent and accuse them, and by false reports and insinuations to

stir up the rulers against them.” *The Great Controversy*, p. 608.

THE HELLISH TORCH OF SATAN IN OUR PULPITS

At the crisis testing time we are told that “Many [not just a few] will stand in our pulpits with the hellish torch of false prophecy in their hands, kindled from the hellish torch of Satan.” *Testimonies to Ministers*, pp. 409, 410. Perhaps we are seeing the beginning of that time already with certain ministers referencing

the books of Babylon in their sermons. It is truly an amazing thing to witness

professed followers of Christ repeating the very experience of the ancient Jews. Humanity apart from the protecting hand of God is so pathetic, weak, and vulnerable. Yet how few are truly grateful and show their gratitude to God by walking in the path that He has marked out for us. In love for all humanity He has given us warning messages to come out of Babylon. How one relates to those messages will determine if we are saved or lost. The lure of Babylon is that man is saved in his sins. (See *The Great Controversy*, p. 572). There is also a mysterious spiritualistic influence that is working to influence the thinking of every person. We must be attentive to every word of counsel given us if we are to remain safe from the deceptions of the enemy.

ERROR IS NEVER HARMLESS

Since we receive our “salvation through sanctification of the Spirit and belief of the truth” (1 Thess. 2:13) it is ever the work of the enemy of souls to deceive upon that very point. Satan blends error with truth in such a way that it looks like sanctifying truth but is in fact subtle error that deceives and misshapes the character. The result is a character that cannot receive the seal of God. That is why we have been warned that error is never harmless. “Error is never harmless. It never sanctifies, but always brings dissension. It is always dangerous.” *Testimonies for the Church*, Vol. 5, p. 292.

“I was shown the necessity of those who believe that we are having the last message of mercy, being separate from those who are daily imbibing new errors. I saw that neither young nor old should attend their meetings; for it is wrong to thus encourage them

while they teach error that is a deadly poison to the soul and teach for doctrines the commandments of men. The influence of such gatherings is not good. If God has delivered us from such darkness and error, we should stand fast in the liberty wherewith He has set us free and rejoice in the truth. God is displeased with us when we go to listen to error, without being obliged to go; for unless He sends us to those meetings where error is forced home to the people by the power of the will, He will not keep us.” *Early Writings*, pp. 124, 125. Of course this counsel would apply to the reading of books that contain the errors of spiritualists, pantheists, higher critics, Jesuits and new agers.

There are those even now who are in the process of forsaking the holy covenant and having intelligence with the papal power. The result is the promulgation of Babylon’s books in our book centers and our educational institutions. Even our church papers promote these books. Ministers, more and more are promoting the books of Babylon that contain the poison of the old serpent.

With suave smooth speech error is so mingled with truth that the error itself appears as bright and glorious truth. If ever there was a time that we needed to cling to our Bibles, it is now. If ever there was a time that we needed to humble ourselves before God and receive His warnings against receiving error, it is now. Now is the fitting up time in preparation for living in the society of holy unfallen beings. There can be no halfway work in preparation to receiving the seal of God.

THE SUNDAY LAW AND THE NAVY SEAL

Are you sealed and ready For the Sabbath Test?

By Dr. Ez Branner

Navy Seals undergo grueling and vigorous exposures that train and prepare them to be hard core and ready for the test. Once the training is complete and all tests passed, they are considered “Seals”. Sealed with a wealth of knowledge and experiences that have prepared them with confidence to be a Navy Seal. Now they are ready. So what does the Sunday Law have to do with Navy Seals training? As Adventist we have always said that the Sunday Law is the final test. Well first of all what is the Sunday Law test? I believe it is an experience that ALL will be brought into that will examine the fibers from which one is made. It is the ability to understand the difference between the

true and false Sabbath and to delineate between the true and false god to whom we give our loyalty. It is the final test of ALL tests in the history of this world; and is given to expose what threads have been woven into our lives. It exposes who we are and what we're made of; it will test all that you have learned and have come to know. This test It is not given so that you can begin... to learn and begin... to know what to do. No! it is given experientially just like the Navy Seals, who are called to action and must put to use all the skills learned in order to rescue others, therefore it exposes your skills, and identifies who you are. Upon the call, Navy seals are ready to stand with confidence.

Immediately they put on the uniform and stand in their place ready for the mission ahead. So too the Christian, when called to enter the Sabbath Test, they have on the full uniform, the world will be in a crisis

situation and they must be sealed with the whole armor of God and ready for the mission at hand. All that they have learned and know will be exposed. Like the Navy Seals there will be no time to learn in the field. Learning time is OVER, now it's time to act. Friends this is the only time left to complete your learning, the training is coming to an end. God is gathering his Seals now and preparing them for the crisis shortly ahead of us. Take this last opportunity now! For when the Sunday Law comes, (and it's around the corner) it will be too late, and too hard to pass the test in crisis. The whole purpose of a Navy Seal is to seek not to be rescued himself, instead he goes out amidst danger to rescue others. The time has come and we, Gods Church must be ready for this last mission to call people out of Babylon, to rescue them from a perishing World; before their probation closes. May God help us all to take this time of training seriously.

IN THE NEWS & THINGS TO PONDER

I am not sure where this is all going but I'm sure you have all heard of the Green New Deal. It appears from this article it may have become law in New Mexico. Where next? What's next? Please pray and study for yourselves! Know what is coming and be prepared! Don't wait – it will soon be too late, if it isn't already! Study now! I do believe the evil in the world is becoming more and more normal and accepted.

<https://www.foxnews.com/opinion/daniel-turner-stealth-version-of-aoc-green-new-deal-now-the-law-in-new-mexico-voters-be-damned>

Here is a quote from this article: “It’s remarkable how such a transformative bill was signed into law so quickly without public input and the myriad impact studies green groups often demand and sue to ensure take place. How was that even possible?”

<https://www.cbsnews.com/news/new-mexico-passes-a-mini-green-new-deal>

They are calling it a “mini-green new deal.” Quote from this article: “The debate over a "Green New Deal" may be just heating up nationally as a way to stave off the worst effects of climate change and encourage economic growth. But some states are already planting the seeds. New Mexico Gov. Michelle Lujan Grisham on Friday signed legislation to move the state to 100 percent carbon-free electricity by 2045. It passed the state Senate and House earlier this month. The bill, known as the Energy Transition Act, also sets nearer term goals for half the state's power to come from renewable sources by 2030 and 80 percent by 2040. It's a major move for a state that gets the majority of its electricity from fossil fuels. New Mexico is the third-largest producer of crude oil in the U.S. More than half of the state's electricity comes from burning coal.”

A female who took testosterone to be a male “married” a gay man. She stopped taking the injections so she could become pregnant...and did. Now she is continuing her journey to be a “man” although will not have the surgery. So a transgender woman and a gay man had a baby! As we all know, we have the American flag, and then came the Rainbow flag for the gay movement (taking God's promise in the sky and using it this way!). Well now the transgender community has various flags using pinks and blues and whites on many of them! In the article referenced above, they say transgender males reportedly viewing pregnancy as possible. What a world. Our Father in heaven having to look down upon this ugly world. I'm ready for His return, aren't you?

<https://www.cnn.com/2019/05/28/politics/supreme-court-pennsylvania-school-transgender-student-bathroom-policy/index.html>

Washington (CNN)The Supreme Court on Tuesday left in place a lower court ruling in favor of a Pennsylvania school district policy that allows some transgender students to use bathrooms that match their gender identity.

SDA Church Policy??

“The 1977 annual council of the Seventh-day Adventist Church voted that ‘gross sexual perversions, including homosexual practices, are recognized as a misuse of sexual powers and a violation of the divine intention in marriage. As such they are just cause for divorce.’”—General Actions, p. 10. “Reasons for which a person may be disfellowshipped from the Seventh-day Adventist Church include ‘homosexual practice and other perversions.’”—Seventh-day Adventist Church Manual (revised 1986)

Does our church still feel this way? Are these still the policies of the church? I feel they have changed to say evil is good and good is evil in many respects. While I love all and pray for all, I do believe God’s word the way it is written. Do not change His Word. Ever! He changes NOT.

“And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompense of their error which was meet.” **Romans 1:27 (KJV)**

“If a man also lie with mankind, as he lieth with a woman, both of them have committed an abomination: they shall surely be put to death; their blood shall be upon them.” **Lev. 20:13 (KJV)**

From the pen of Ellen White: “If there were no other evidence of the real character of spiritualism, it should be enough for the Christian that the spirits make no difference between righteousness and sin, between the noblest and purest of the apostles of Christ and the most corrupt of the servants of Satan. By representing the basest of men as in heaven, and highly exalted there, Satan says to

the world: ‘No matter how wicked you are; no matter whether you believe or disbelieve God and the Bible, live as you please; heaven is your home.’ The spiritualist teachers virtually declare: ‘Everyone that doeth evil is good in the sight of the Lord, and He delighteth in them; or, Where is the God of judgment?’ **Malachi 2:17**. Saith the word of God: ‘Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness.’” **Isaiah 5:20**. *Darkness before Dawn 21.1 (EGW)*

“We should daily dedicate ourselves to God and believe He accepts the sacrifice, without examining whether we have that degree of feeling that corresponds with our faith. Feeling and faith are as distinct as the east is from the west. Faith is not dependent on feeling. We must earnestly cry to God in faith, feeling or no feeling, and then live our prayers. Our assurance and evidence is God's word, and after we have asked we must believe without doubting. I praise Thee, O God, I praise Thee. Thou hast not failed me in the performance of Thy word. Thou hast revealed Thyself unto me and I am Thine to do Thy will.” **2SM 243.2**

“Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter! Woe unto them that are wise in their own eyes, and prudent in their own sight! **Isaiah 5:20, 21**. The Lord requires every man to be at his post of duty doing the very work the Lord has appointed to be done. Let every movement be preceded by humble, earnest prayer. The truth is to go forth as a lamp that burneth. Those who are guardians of the truth are to act as men who are wide awake.... Christ pronounces a woe upon all who transgress the law of God. He pronounced a woe upon the lawyers in His day because they exercised their power to afflict those who looked to them for justice and judgment. All the terrible consequences of sin will come to those who, even though they may be nominal church members, regard it as a light matter to set aside the law of Jehovah, and to make no distinction between good and evil. In the representations the Lord has given me, I have seen those who follow their own desires, misrepresenting the truth, oppressing their brethren, and placing difficulties before them. Characters are now being developed, and men are taking sides, some on the side of the Lord Jesus Christ, some on the side of Satan and his angels. The Lord calls for all who will be true and obedient to His law to come out of and away from all connection with those who have placed

themselves on the side of the enemy. Against their names is written, “TEKEL; Thou art weighed in the balances, and art found wanting” (**Daniel 5:27**).... There are many men, apparently moral, but who are not Christians. They are deceived in their estimate of what constitutes true Christians. They possess an alloy of character that destroys the value of the gold, and they cannot be stamped with the impress of divine approval. They must be rejected as impure, worthless metal. We cannot, of ourselves, perfect a true moral character, but we can accept of Christ’s righteousness. We can be partakers of the divine nature, and escape the corruptions that are in the world through lust. Christ has left before us a perfect pattern of what we are to be as sons and daughters of God.” *Letter 256, August 1, 1906, to “My Ministering Brethren in Australia*

WEATHER AND DISASTERS

So many records being broken in rain, hail, snow, heat, freezing – in May!

Record-breaking heat will have a firm grip on the southeastern United States beyond the middle of the week. While there will be little rain to aid firefighters and to impact travelers, residents will have to take the necessary precautions to avoid heat-related illnesses. Dozens of record highs have fallen amid the heat wave since it began late last week.
